Tips:

- Stamp the car image on the white with Black Staz and let it dry.
- Rub the Cherry Cardstock with the Embossing Buddy.
- Stamp the greeting with versamark ink on the bottom right of the card.
- Sprinkle black embossing powder on the words and heat with the heat tool.
- Stamp the cherry cobbler cardstock with images from "Clockworks" stamp set with Versamark ink.
- Run a 4.5" strip of metal tape through the Embossing Folder with the Big Shot.
- Attach the metal tape to the white cardstock strip.
- Put tape on the black strip and then attach the embossed metal piece (don't tape on the backside of the metal piece of your will wreck the embossed metal tape).
- Colour the car image with aquapainters and ink refills.
