## Tips:

- Lay the lace tape down in row across bottom 2/3rds of card. Try to stagger the circles for each row.
- Start sponging with the lightest colour over top of the tape and move to the darkest colour.
- Peel off the tap to leave the design behind and re-stick the lace tape on the roll.
- Attach the ribbon to the card by securing ends at back of card.
- Attach white layer to card base.
- Stamp the saying with Coastal Cabana ink on the small piece of white cardstock.
- Punch out the saying (using the punch upside down so you can see to centre the saying).
- Punch out another punch from the Pistachio pudding cardstock. Cut it in half to make a "faux" mat.
- Attach the saying to the front of the card using dimensionals.
- Add a little rhinestone to the card.
